

The OneBox[®]

Easy to close, vented to-go packaging

Send your to-go orders out with confidence using these easy to close, leak proof, paper containers with secure front latch closure.

** Made in the USA from globally sourced materials

www.pactiv.com | www.earthchoicepackaging.com

Hinge lid closure design allows for easier/quicker line-assembly and closure vs top lock folding containers

Benefits

Easy to close one piece paper container with secure front latch closure

Pre-assembled hinged lid boxes allow for fast and easy loading of contents and closing (vs top lock folding containers)

Optional SmartVents™ keep foods fresh and crispy

Perforated tear away lid provides an improved eating experience for customers

Leak resistant coating prevents sauces and liquids from penetrating through the container

Designed to be stackable in most common size delivery bags

Variety of sizes fitting multiple operators applications & optimized for off-site dining

Made from compostable board. Paperboard meets ASTM D6868 compostability standards. EarthChoice Kraft Color Only

Made with SFI/FSC Paper Boards

Made in the USA **

Large area to add sticker/label which is great for operators to identify what's inside and create a tamper evident seal

Custom printable so restaurants can showcase their logos and branding

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.

* Made from compostable board. Applying for compostability certification.
